## PUPIL PREMIUM GRANT

### REPORT TO PARENTS

Schools receive Pupil Premium funding from the Government for supporting children from low income families to ensure that they benefit from the same opportunities as all other children. There are three categories that identify children that qualify for pupil premium:

- Children who are eligible for free school meals (or have been eligible at any time in the last 6 years)
- Looked After Children and those who have been adopted from care
- Armed Forces children

Schools, head teachers and teachers will decide how to use the Pupil Premium allocation, as they are best placed to assess what additional provision should be made for individual pupils for whom they are responsible. Schools have the freedom to spend the premium in a way that they think will best support the raising of attainment for the most vulnerable pupils.

#### Principles

- To ensure that teaching and learning opportunities meet the needs of all of the pupils
- To ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed

#### Provision

- Providing 1:1 and small group work with an experienced teacher or Teaching Assistant focused on:
  - Identifying and overcoming gaps in learning
  - Accelerating progress to move children to Age related expectations
  - Accelerating progress to reduce the gap between vulnerable groups and other children
- Recognising that the wider curriculum supports and enriches children's development across the curriculum and therefore funding will also be allocated to enable children to participate fully and actively in wider and extra-curricular activities

**In making provision for these pupils, we recognise that not all pupils who are identified to bring pupil premium funding into the school will be socially or academically disadvantaged**
