# Book of Excellence

**Jack** was able to do some multiplication in his head and write the number sentence down.  
**Leo** thought of different rhyming words and made it into a poem for his Dad. He managed to get great rhythm in it.  
**Aimee, Lauren, Eriseda, Utku and Jay B** showed how they understood the inverse relationships in maths.  
**Daniele** wrote a poem with lots of descriptive detail.  
**Lucy, Kacey and Phoebe** all wrote fabulous stories.  
**Isla** wrote a fascinating 'Goosebumps' Chapter book.

**Dilan and Leonie from Hazel class have now had their third entry into the Book of excellence and are the first to choose from the treasure box.**

**Well done for a great story and a well written poem.**

## Library – Summer Reading Challenge

Hertfordshire libraries are getting their magnifying glasses ready. Why? Animal Agents are coming, as part of the 2017 Summer Reading Challenge. It is the UK's biggest promotion of children reading; last year over 20,000 Hertfordshire children took part-and it's free.

The children are challenged to read six library books or eBooks of their choice during the holidays. For every two books they read, they are rewarded two stickers. When they have completed the challenge, they will receive a wristband and are invited to a presentation ceremony where they will be given their certificate and medal. In addition, participants will have the opportunity to win tickets to an exclusive author event. The Summer Reading Challenge materials are suitable for visually impaired children.

Animal Agents packs will be available in all Hertfordshire public libraries from Saturday 15 July while stocks last, finishing on Saturday 9 September. Further information on the Summer Reading Challenge in Hertfordshire and a link to the Animal Agents website can be found at [www.hertfordshire.gov.uk/libraries](http://www.hertfordshire.gov.uk/libraries)

Happy Holidays  
See you on September 5<sup>th</sup> 2017
