All Sports Coaching has run a football skills club for KS1 on a Tuesday (paid for by parents). We also have continued our clubs with Extended Schools.</p> <p>In 2015-2016 due to the funding and partnership with A10 we have had the following clubs:</p> <ul style="list-style-type: none"> <li>Speed Stacking for Year 1 (first half of Autumn term) 18 girls 12 boys</li> <li>Speed Stacking for Year 1 (second half of Autumn term) 13 girls 12 boys</li> <li>Gym Club for Year 2 (first half of Spring term) 19 girls 5 boys</li> <li>Gym Club for Year 2 (second half of Spring term) 13 girls 8 boys attended.</li> </ul>

<b>AFTER SCHOOL CLUB (Cont'd)</b>	Tennis x2 = £345  <b>=£1140</b>	<ul style="list-style-type: none"> <li>• Tennis Club for Year 2 (first half of Summer) 12 girls 8 boys</li> <li>• Tennis Club for Year 2 (second half of Summer term) 11 girls 8 boys attended</li> </ul> <p>Not so many Year 2 boys participated in Gym this year. Overall Year 2 have more girls than boys in their year group so this may be a reason why, however this is worth checking again next year. The girl's participation in Tennis club has continued to grow this year.</p> <p>A10 Active asked us to limit the places for Gym to give a better experience to the children. Also asked for limited places on tennis this year so that they could support children to progress quicker with their skills. This means the number of children participating overall is down especially by boys.</p> <p>However All Sports Coaching (Tom Pritchard) has been running a football club in the Autumn and Spring terms and a multi-skills club in the Summer term that has been paid for by parents and has been taken up by 25 pupils per session.</p>
