## A-Life Healthy Workshops

Thank you to all the parents who helped at the A-Life Healthy Workshops.

The A-Life coach spent the day encouraging, teaching and developing your child's awareness of healthy living.

Following the workshops, A-Life offer our children the chance to complete the 7 Day Healthy Challenge. The challenge is designed to follow-up some of the messages promoted in the workshops. Pupils can log on to the A-Life website and complete interactive quizzes on how to maintain a healthy lifestyle, while fun characters challenge them to log their own healthy habits.

Log in details were sent out earlier this week

## Year 1 – Space Workshop

Year 1 had a fantastic drama workshop all about space and the solar system. We travelled through space and learnt lots of facts. At the end we celebrated becoming Knights of Knowledge!

# Sport Relief Day

Thank you for all your donations – we raised £340 for Comic Relief.

The Multi Skills Festival for Year 1 and Year 2 children was a great success.

## Daily Mile For All Ages

Our school already does The Daily Mile to help the children be more active.

In support of Hertfordshire County Council's new campaign called 'It's Never Too Late to be Active' every child in reception, Year 1 and Year 2 can invite an adult to join them for their Daily Mile.

All adults taking part will be encouraged to sign up to the campaign at [www.hertfordshire.gov.uk/nevertoolate](http://www.hertfordshire.gov.uk/nevertoolate)

If you sign up and indicate in the registration that you were prompted to sign up by this school, our school will be entered into a prize draw to win £1000 for health and wellbeing activities at the school. Anyone signing up will also receive a free local activity pass for themselves and a friend.

Please see below the day for your child's class. All will take place at 9.05am for 15 minutes
