

### Star of the Week

25.05.17

Maple	Zane	Beech	Teddy	Mulberry	Chloe
Oak	Ava L	Magnolia	Josh	Holly	Sadie
Hazel	Jayden	Ash	Zhaige	Rowan	Fidyen

Well done to all those who were awarded Star of the Week. You participated well in the WOW event which helped to make it special day for everyone. You have also shown motivation and perseverance with your work and the daily mile. Well done for being safe and sensible members of your class and improving your listening.

### Value of the Term

Everyone has rights and responsibilities.

We all have the same opportunities.

What does equality mean to you?

We take turns to listen to each other

We treat each other in a fair way

### Attendance

Oh no!! Our attendance is not looking too great at the moment. Well done Hazel, Beech and Holly you have maintained or improved your attendance this week. Despite this, the whole school figure has gone down again. We have 7 weeks left of this year to turn it around - we can do it!

If you have any ideas as to how we can inspire better attendance we would love to hear them.

Week ending %	25.05.17
99.57	Hazel
97.08	Beech
96.30	Holly
93.75	Maple
93.10	Mulberry
92.86	Rowan
92.67	Ash
92.50	Magnolia
90.18	Oak
83.93	Cherry pm
79.46	Cherry am
94.23	Whole school

## Welcome Back Mrs Marshall

We are delighted to say that Mrs Marshall has returned to school; however she will need to be careful with her wrist for a while. With that in mind, and to help the transition back into class we have asked Mrs Oxley to work alongside Mrs Marshall for at least the first Friday back after half term.

## Tom Pritchard

We would like to say our congratulations to Tom Pritchard, who does a lot of activities within the school, as he was voted Manager of the Year by his football club. We are very proud of you.

## Sun Hats and Sun Cream

As the weather gets hotter can we remind you that named sun hats need to be brought in and worn at playtimes. We also ask that you apply sun cream to the children before the start of school; there are some great 'all day' sun creams available. The teachers are not able to re-apply sun cream to the children during the day as there are up to 30 children in the class and this would be very time consuming. If there are any reasons that your child needs to re-apply cream during the day please discuss it with the class teacher and if needed, teach your child how to do this themselves without supervision.

## Beech Class Assembly

Thank you Beech class parents for joining us to watch a very enjoyable assembly. It was clear how much the children had learnt and I was very impressed at how they spoke out.

## Book of Excellence

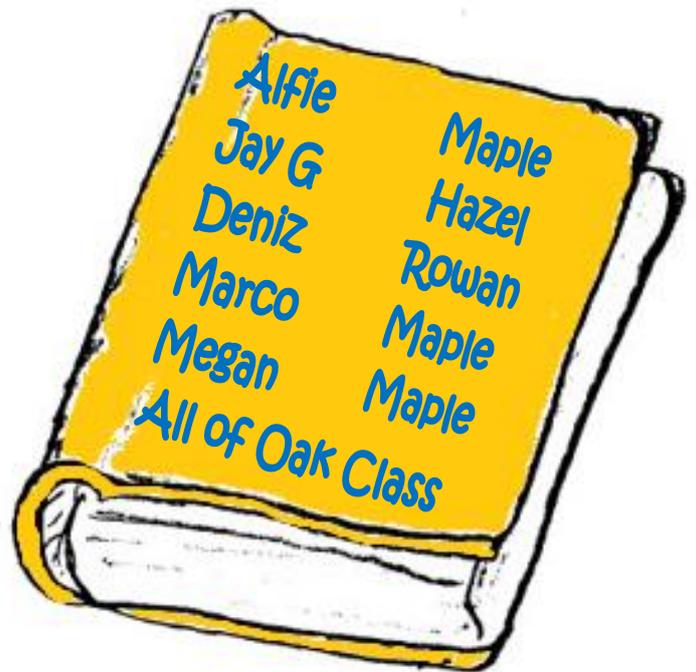

**Alfie** made a fantastic collage in his home learning book using paint and natural materials.

**Jay G** wrote a report about minibeasts using scientific language.

**Deniz** did some amazing doubling totally independently.

**Marco and Megan** wrote some fantastic riddles about minibeasts. Their clues were very accurate.

**All of Oak Class.** Mrs Bevis was so impressed with all of her class writing riddles that we decided the whole class should be in the Book of Excellence. Well done.

### Random Fact of the week

*In 16th century Europe, it was believed that eating a tomato could turn you into a werewolf.*

# Manchester

We were very sad to hear about the tragedy in Manchester, especially with it affecting so many young people. If your children ask any questions and you are not sure how to address the issues that might be worrying them, we have some children's websites that may help.
