

Star of the Week

12.05.17

Maple	Rio	Beech	Crystal	Mulberry	Kai
Oak	Mason	Magnolia	Adam	Holly	Arda
Hazel	Bradley	Ash	Kloe	Rowan	Ashlee

Well done to all those who were awarded Star of the Week. You have been working hard with your writing this week, producing some great stories and poems. You have also shown concentration and respectful listening; which means you are being good role models. Well done for keeping our school and classroom rules.

Value of the Term

What does equality mean to you?

We all have the same opportunities.

We treat each other in a fair

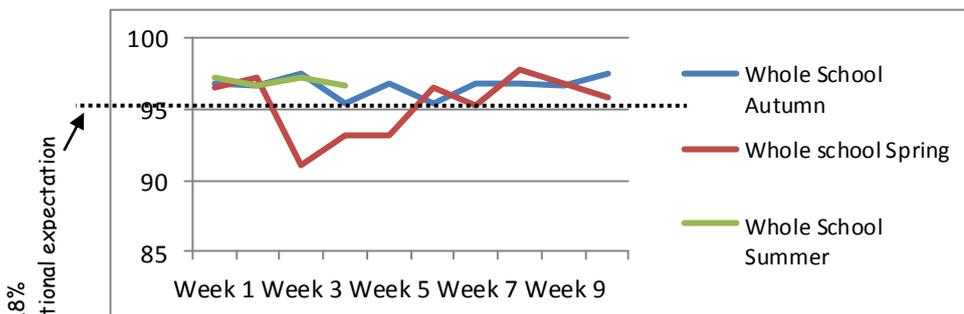

EQUALITY

Attendance

Well done Beech for your excellent attendance this week. There has been a different winning class each week of this term so far. I think you must all be trying really hard to get to school, thank you. I wonder; who will get the Trophy next week?

This is what the year is looking like so far.

Week ending	12.05.17
99.35	Beech
98.62	Ash
97.78	Holly
97.33	Magnolia
96.07	Oak
96.00	Maple
95.71	Rowan
95.52	Hazel
93.33	Mulberry
92.14	Cherry pm
87.14	Cherry am
96.64	Whole school

Fidget Spinners

These are the newest craze for our youngsters and can be a help to strengthen fingers. Unfortunately these have been the cause of one or two arguments in the playground so we would encourage the use of them at home only.

Walk to School Week 15th – 19th May

We are encouraging everyone to walk to school this week. The children will bring home a leaflet on which they can tick off things they might see on their way to school, there is also a space to draw a picture of something exciting they see. At the end of the week we would love to see some of the completed leaflets and display their pictures, so please make sure their names and classes are on them. There will also be a chart in the classrooms which we will help them complete.

If you live a distance away and have to drive to school you can still join in by parking 5 - 10 minutes away and walking the last bit.

Marathon

Congratulations to Mr Douglas in the Junior School for completing the London Marathon and raising all that money for his charity.

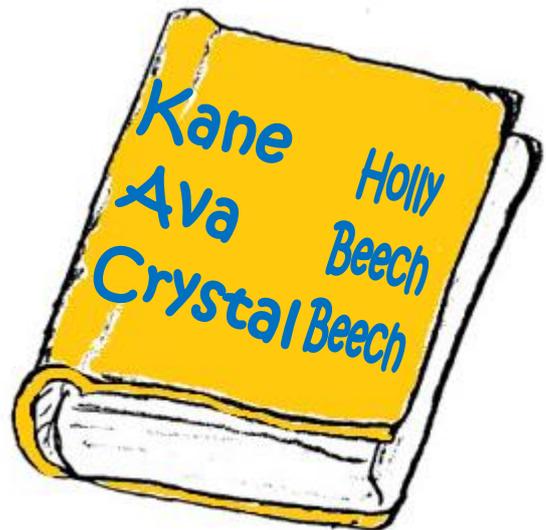

Book of Excellence

Kane persevered at writing a really interesting story over two days. He successfully used great sentences and spellings.

Ava wrote a poem about being brilliant at things, she used rhyming words and really understood the rhythm.

Crystal also wrote a poem but used her independent thinking skills to change it into being clumsy.

Random Fact of the week

A single ounce of gold can be beaten into a sheet covering nearly 100 square feet, or drawn out into 50 miles of gold wire.

Dates for your Diary

MAY

Monday 15th	WALK TO SCHOOL WEEK
Tuesday 23rd	Year 1 WOW day - seaside event
