'Family' Photographs including children not in the infant & nursery school

If you would like younger children (not in our nursery) and/or Junior children included in a family photograph these will be taken from **7.45am to 8.45am in the infant school**. If you would like to take up this option please bring all your children to be included in this photograph to the infant school between the above times.

If you choose to take up this option you should be prepared to wait in a queue for possibly 15mins. You will also be expected to supervise your own children during this time. For safety reasons children will not be allowed to run around in the school.

Arbor Parent Portal and App

We are pleased to announce we have launched our Arbor Parent Portal this week and a welcome email should have been sent to all parents we have email addresses for. Using the portal will allow you view your child's attendance data and allows you to keep contact details and personal information up-to-date. Arbor will also allow us to gradually reduce the number of apps that parents have to currently use.

We will be taking Parents Evening Consultation bookings using the Arbor Portal next week, so please ensure you activate your account by this Friday 6th October so you can book your appointment.

Please email the school office at admin@brooklandinfants.herts.sch.uk if you require any support with accessing your account.
