

Brookland Infant and Nursery School

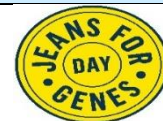

Enjoyment of learning, achievement for all

Autumn 3-September 24

NEWSLETTER

Thank you for your support

Thank you for supporting our Jeans For Genes event that took place last Friday, we are pleased to say we raised an amazing £220 for this fantastic cause.

Gourmet Burger Day- Thursday 3rd October

Our school kitchen team have been very busy preparing for our special Burger Day which is taking place next Thursday, there will be a selection of burgers available to order on SchoolGrid.

There will also still be the option to order a beefburger, jacket potato or sandwich on SchoolGrid. Please do not order the pasta option showing on SchoolGrid as this will not be available on the day.

Brookland Federation Governors Meeting

Last week we had our first governing board meeting as a Federation. It was a productive meeting where we assigned roles and responsibilities. We are delighted to share that David Warner and Amy Claydon will be sharing the role of Chair of Governors.

During this meeting, a discussion was had about the main school gates on Elm Drive. The governors have decided to review the situation regarding closing the gates during the school day. We will share the outcome of this review as soon as we can.

Photograph Day – Monday 14th October

We are pleased to let you know that our school photographer Sue will be returning to our school to take individual and family photographs of the children on Monday 14th October. Please ensure your child is wearing full school uniform on the day.

Many of you know, Sue from Imagination Photos has been our photographer for many years, and always manages to capture perfect photographs of children for you to treasure for years to come.

There will be an opportunity for you to have photographs of your child taken with younger/older siblings in our hall between 8:00am-8:45am. There is no obligation to buy any photographs that are taken.

Harvest Festival

The children have been preparing the food donations that have been generously given to us to support our foodbank appeal.

Thank you for supporting our event, we will be delivering the food to Broxbourne foodbank next week. If you would still like to send in a donation, please hand this to your class teacher by Monday

Year 2 Learning and VIP visits

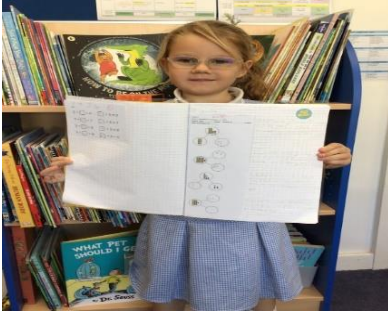

Last week, Year 2 were learning all about physical features in geography.

The children told Miss Mitchell that mountains, trees and rivers were physical features and that our school building was built by humans so this can't be a physical feature... it's a human feature!

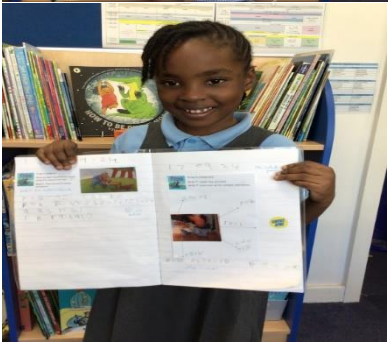

Jorgie-

Jorgie was so proud of the writing she had done in her maths work when learning how to partition numbers. What a superstar! Well done Jorgie!

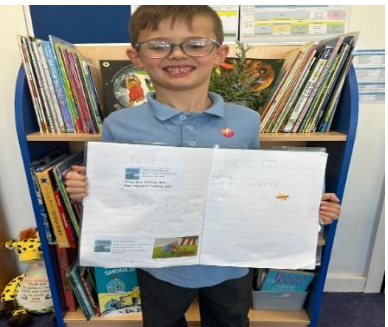

Heavenly-

Heavenly had worked independently on this piece of writing. She was so proud of what she had achieved, and so are we! Well done Heavenly!

Blake-

Blake was so pleased with this piece of writing which showed him working on his letter formation. He was working on his letter 'p' and explained that he had corrected it with the help of his teacher. We love Growing Green moments. Well done Blake!

Forest School Reminder

Please can we remind parents that the children go to forest school in all weathers, including rain!

You can really help prepare your child for a Forest School day by:

- Having the correct clothing: a warm jacket, wellie boots and two pairs of socks (gloves and hats in colder weather)
- Bringing in a spare set of clothes just in case your child gets wet and needs to change.
- Even better, if you have it, waterproof clothing: jacket, an over-suit or over trousers, children would be snug, dry and comfortable for their session. Here is a link for a cost effective waterproof set: [Amazon Link for waterproof clothing](#)
- Don't forget to name label all clothing so any lost items can get back to you!
