

Learning Preview Nursery
Spring Term 1
We Love Books

Books linked to our learning

10 Things I can do to Help my World

The Paper Dolls by Julia Donaldson

Goodnight Spaceman by Michelle Robinson

10 Little Superheroes by Mike Brownlow

Supertato by Sue Hendra

On the Way Home by Julia Donaldson

How our learning will link to our children's lives, interests and experiences

- The children have been very interested in books so we thought we'd devote time each week to activities associated with each book. They follow a range of interests that we know the children have including, animals, fantasy, space and superheroes.
- Some children have shown an interest in the globe and what is "in" the world (they know air is around it) so we will look at the structure of the earth and volcanoes
- A few children have been telling us about the jobs that their adult's do - Goodnight Spaceman is about Tim Peak's children when he went to work on the International Space Station.

How our learning will link to the wider world

- This term the children will be introduced to the solar system and the planets
- We will be developing children's vocabulary this term linked to opposites, action words, describing words and naming words such as types of vegetables, planets and shops.
- The children will learn about memories for themselves and family members.

Singing time

Phonics

Rhyming

- making up rhyming strings
e.g. run, bun, fun
-rhyming sentences in books

Hearing first sounds in words
(playing "I spy")

Alliteration e.g. four fat frogs

Blending & Segmenting

Fine motor skills

Scissor skills
Correct Pencil Grip
Drawing anti-clockwise circles
Retracing vertical lines
Writing some letters from our names with correct formation

Maths

Counting forwards and backwards to 10
Knowing 1 more and 1 less than a given number
Shapes in the environment
Using shapes to build models & pictures.

Ideas

We want children to begin to understand how stories are structured. They will be taught to identify characters, settings and events in stories. We will encourage them to predict what might happen and to think of their own ideas for alternative endings.
