Spring Term 2

Travel

How our learning will link to our children's lives, interests and experiences

- They have been interested in the small world train/car/space activities so we thought it would be nice to devote time each week to a different form of transport.
- The children have enjoyed learning about Earth so it will be a way for the children to understand how the continents can be reached.
- The children will learn about memories for themselves and family members.
- The children will learn to work together.

How our learning will link to the wider world

- Through the stories children will have the chance to build on a large scale the various forms of transport using our outside equipment and be able to act out the different role plays.
- We will teach the children about the similarities and differences of the various forms of transport and how they have changed.
- We will continue to build the children's vocabulary, naming the types of cars/boats/planes etc

Books linked to our learning

5 Little Men in a Flying Saucer
 Jack and the Flum Flum Tree -Row row
 row your boat
 Little Boat
 Down by the Station
 Mr Gumpy's Motor Car
 The Easter Story

Singing time

I had a little aeroplane.....

Row row row.....

I'm driving in my car....

5 wonky bicycle wheels.....

Phonics

Hearing first sounds in words
Alliteration e.g. four fat frogs

Blending & Segmenting

Letter sounds:
 s a t p / i n m d

Fine motor skills

Scissor skills
 Correct Pencil Grip
 Drawing anti-clockwise circles
 Retracing vertical lines
 Writing some letters from our names with correct formation

Maths

Subitising Numbers to 3
 (recognising different arrangements of 3 objects)
 Simple number problems
 Counting forwards and backwards from different starting points.
 1 more and 1 less than number

WORLD BOOK WEEK

We are thinking about Fairy Tales so we have chosen Goldilocks and the Three Bears. We will be learning the story during our Talk 4 Write session.
