Enjoyment of learning, achievement for all

## Half Term is here!

We have had a busy start to the spring term, and it has been lovely to see the children enjoying the learning activities that have been taking place across the school.

We have been braving the cold weather and have had some lovely feedback regarding our forest school sessions, we hope you have enjoyed hearing from your children about the adventures they have been having in Elmwood Forest.

Mrs Atkinson is still recovering from her operation, but came to visit us this week to say hello to everyone. We are hoping that she will be able to return to school in early March

We hope you have a lovely half term break, hopefully the sun will be shining and we look forward to seeing the children return to school on Monday 26<sup>th</sup> February.

## Forest School Adventures

Spring has arrived in Elmwood Forest, and along with the all the excitement of discovering the new flowers in bloom, the children were delighted to see the new mud kitchen which has been delivered this week.

Jude, our forest school teacher has been working hard to bring Elmwood Forest to life for the children, who have really been enjoying every moment of their weekly sessions.

We are looking forward to sharing more Elmwood Forest stories with you after half term.
