Science Week – Help Needed

During the first week of the Summer Term, we are holding a 'Science Week' when the children will have the opportunity to take part in many exciting scientific activities provided by SETPOINT

Hertfordshire (an educational charity).

The sessions will involve a range of explorative, 'hands on' investigative activities that we are hoping will motivate and inspire our children.

In order to run the sessions SETPOINT have asked for a minimum of **5 adult helpers** per session. **If you are available to help with any of the sessions, please see your child's class teacher to put your name down. We will only be able to run the sessions if we have enough support.** If you are able to help all day that would be fantastic otherwise you could help just with your child's class - please speak to your child's class teacher about the time of their session.

Wednesday 19th April - Reception (morning & afternoon)

Thursday 20th April - Year 1 (morning only)

Friday 21st April - Year 2 (morning & afternoon)

School Meal Booking System

Please remember to order your child's meals in advance.

- Lunch orders need to be placed or cancelled before 8:55am on the day
- If your child is absent please remember to cancel their meal
- If no lunch order is received, a Jacket Potato will be provided for your child
- You can place meal orders up to 10 weeks in advance

If you need any support with the SchoolGrid system please contact the School Office.

Cancelling Lunches: If your child is absent you must cancel their lunch order by 8:55am. If you don't do this the school will be charged for the lunch and will pass this charge on to you. Parents who do not cancel their child's meal if their child is absent from school will be charged for the meal at the current rate of £2.41.

Even though Infant children are eligible for free school meals under the Universal Free School Meal Scheme the school has to pay for these lunches.
