End of term message from Mrs Atkinson

Dear Parents and Carers

Another year is done! The year has gone so fast, it doesn't feel possible that we are celebrating the end of the year. It was lovely to see so many parents enjoying the picnic with the children even though it was the hottest day of the year so far.

Sadly, we are saying goodbye to our Year 2 children and we wish them well in Brookland Junior School or wherever they are going. We are also saying goodbye to some of our other pupils, including Nursery children, who will be going to different schools and we wish them lots of happiness in their new settings.

In September we come back as Brookland Infant & Nursery School as part of 'The Brookland Federation' with the two schools looking forward to working together even more closely for the benefit of the children.

Thank you for all the support you have given the children and the school this year. It has been lovely to see parents and carers coming in to help with workshops, trips, sewing and all of the support for charity days. We appreciate everything you do.

Have a lovely summer. We look forward to seeing most of you back in September.

Hertfordshire Libraries- Summer Reading Challenge

The Hertfordshire Library summer reading challenge is back, The Marvellous Makers are here to spark the joy of reading and creative arts. This year's Challenge is an open invitation for children to explore books and stories, while taking part in free activities. From poetry and music to arts and crafts, there's something for every young creator. The Challenge begins at all Hertfordshire Libraries from Saturday 6 July, and continues until Saturday 7 September.

Visit www.hertfordshire.gov.uk/SummerReadingChallenge for all the details on the Challenge and discover some marvellous makes to create at home.

50 things to do app

50 Things To Do Before You're Five gives you 50 activities that parents and carers can support their children to try out and repeat. Each experience has been suggested by parents, carers and professionals; sifted, developed and written up by early years experts and language specialists, to create a fabulous resource for every child under five and the grown-ups in their life!

50 Things To Do helps parents develop their home learning environment, suggesting a wide range of low-cost and no-cost local activities. The 50 Things approach improves early language and literacy, motor skills and resilience. As a result children thrive cognitively, physically and emotionally, and will be more ready for primary school.
